(adapted from Indivisible National)

Minivan list # for IONJ statewide canvass is: **54725010-59364**

We also recommend that you bookmark and visit this toolkit often. All of the documents contained in this toolkit will be updated as necessary. So think of them as living documents where new, helpful info can pop up anytime! Here's what you'll find:

If you don't have one, [create your Action ID before knocking on your first doors in MiniVAN](#). An Action ID is like a password key specifically for your work with tools from VAN, like MiniVAN canvasses. You create one Action ID, and you can use it to log into any organization's VAN tools to talk to voters. No need to keep track of multiple usernames and passwords for each organization. It's one and done! If you don't have an Action ID, no worries! [You can create one here in just a few simple steps](#). However, when creating your Action ID, only set up Two Factor Authentication (2FA) if you are familiar with and comfortable using 2FA apps and tools. Otherwise, skip that option. We CANNOT assist you if you lose your Action ID login info.
